رؤية
VISION
2030
المملكة العربية السعودية
KINGDOM OF SAUDI ARABIA

Who We Are

A conglomerate of commercial companies that was initially founded in the year 1998 by its Chairman Eng. Fahad Al Dawood working from offices in Al Khobar, Jubail and Yanbu. Today it is one of the leading Kingdom of Saudi Arabia's most prominent business houses and companies.

Al Dawood Holding Group is involved in various fields of operations including: Contracting & Services, Civil Engineering, E-Commerce, Industrial & Services, General Transportation and Heavy Plants Hire, PR & Communications, Trading, Building Maintenance, Oil & Gas related services, Management Training and many more. All the companies working under its umbrella operate with a global emphasis through association with international business houses – by sponsoring their regional branch office, representative office, liaison office, being their general sales agents, entering with them into a joint venture or maintaining other forms of contractual relationships that lead to a win-win situation.

In 23 years of business, Al Dawood Holding Group drew and is still drawing its strengths from the competitive management policies, core of talented people and the trust of its international associate companies.
